A Message from the Vice-Chancellor and the Kishoreganj University Family

It is with profound sadness we share the news that our respected Syndicate Member, Mr. Swapan Barua Chowdhury, is currently undergoing treatment in the ICU at United Hospital following a brain stroke. He is presently in critical condition.

On behalf of all students, teachers, officers, employees, and members of the Kishoreganj University family, we sincerely request everyone, as well as all well-wishers, to keep Mr. Swapan Barua Chowdhury in their thoughts and prayers during this difficult time.

May the Almighty grant him strength, bless him with a speedy and complete recovery, and provide patience, strength, and courage to his family and loved ones.

Let us all come together as a university family and pray for his recovery and well-being.
